

THE CLARIDGE STORY

FOR OVER 65 YEARS, THE CLARIDGE NAME HAS BEEN SYNONYMOUS WITH QUALITY, SERVICE AND INNOVATION. OUR PRODUCTS CAN BE FOUND IN GLEAMING NEW OFFICES, PRESTIGIOUS COLLEGES AND UNIVERSITIES, RESPECTED HOSPITALS AND SCHOOLS ACROSS THE COUNTRY. CLARIDGE OFFERS A COMPLETE SET OF SOLUTIONS FOR THE NEW WORLD OF WORK — NO MATTER WHAT TYPE OF WORK YOU DO.

From the workplace to the classroom, the emphasis today is on performance, productivity and a pleasing environment. Claridge visual display products and accessories offer unmatched performance and high style. Our state-of-the-art production facility enables our skilled team to control quality at every step in the process. In addition to offering a broad selection of standard colors, surfaces and finishes, we can custom-craft most products to perfectly suit any space or task. Let our friendly, knowledgeable customer service staff help you create exactly what you need.

Contemporary business operates at a lightning pace, so we maintain a wide variety of standard product lines in stock for fast shipping and delivery. For custom product orders, Claridge Priority Response and On-Time Shipping programs provide a firm ship date.

We also conduct a number of “green” initiatives — from in-house recycling programs to using renewable resources and alternative materials — to reduce our environmental footprint and minimize exposure to harmful substances.

We listen and react to our customers’ needs and concerns. For example, we have worked with our packaging manufacturers to re-design our carton to minimize damages, and we have introduced a \$750 Free Freight Program* (specific to Quick Ship items shipped at standard pricing). We learned through a survey just how important these issues were to our customers and we reacted.

At Claridge, we work to earn your trust and satisfaction from start to finish. That’s the way we do business — today and always.

**Free freight orders will be shipped at Claridge discretion.*
