Motion™ Workstation Boards

Motion™ Workstation Boards are sized specially for workstations and are so lightweight that they can go anywhere – from workstation wall to a meeting room to a door. Ideal for organizing your day or note-taking, these boards are office essentials.

Quartet® Motion™ Dry-Erase and Calendar Boards

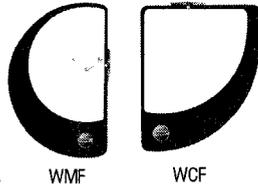

- Each lightweight board includes convenient built-in accessory tray that contains one Quartet® dry-erase marker and one eraser.
- Built-in swivel hangers attach on top of most surfaces (cube panels, filing cabinets, etc.).
- Made up of a lightweight foam for tacking and a stain-resistant writing surface.
- Each Motion™ board weighs less than 2 lbs.

Product Number	Description	Unit	MOQ	Case Qty.	List Price
MMP75	3' x 2' Dry-Erase	EA	1	1	69.95
MMP25	18" x 24" Dry-Erase	EA	1	1	54.95

Designer™ Workstation Boards

Designer™ Workstation Boards add fun and fashion to personal work environments while improving organization. Each board features an innovative frameless design and a combination writing and bulletin surface with excellent performance properties. All Designer™ workstation boards offer a writing surface that resists staining or ghosting and a foam bulletin surface with excellent pin-holding properties.

Designer™ Workstation

- Tightly woven grey fabric-covered foam complements any work environment.
- Mistake-proof "Cubicle Mount" hanging system allows for mounting to regular or fabric covered walls.
- Includes Quartet® dry-erase marker and eraser.

Standard Workstation Boards

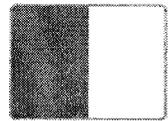

Standard Workstation Boards are ideal for low-use personal environments, and can be grouped together to form a complete organization system. Each board features a lightweight, plastic frame design with neutral graphite finish to match any modern work environment. Marker boards feature a writing surface that resists staining or ghosting. Bulletin boards feature colored cork with excellent pin-holding properties, while combo boards offer both a writing and bulletin surface. Includes cubicle fabric fasteners and double-sided tape for easy mounting to cubicles and walls.
