

Open/Closed Signs

Informative, eye-catching signs communicate whether the business or room is open or closed, occupied or available. Open/Closed Signs offer message space to post store hours and other important announcements. Conference Room Scheduler provides space for scheduling meeting times in advance. Signs are simple to set up, change and update.

Conference Room Scheduler

- Prevent interruptions by letting everyone know meeting is in session.
- Simply pull the status panel up or down to indicate OCCUPIED or AVAILABLE.
- Schedule meeting times in advance on the dry-erase scheduler surface.
- Contemporary graphite frame style complements office decor.
- Mounts easily to wood, drywall or glass with included hardware.
- Includes one Quartet® dry-erase marker.
