Erase only with soft towels or cloth like you would use on your glasses.  
Felt or cloth erasers work fine also.

## Cleaning of your printed hospital board =>

**Do not use**====> any type of disinfectant or cleaning agent besides the following approved cleaners. Use of non-approved products will void warrantee and may cause loss of dry-erase characteristics.

### Approved Cleaners

1. Soap and Water
2. Sanford Expo White board Cleaner
3. Isopropyl Alcohol
4. Windex
